EDUCATION

2019 B.E. Computer Science & Engineering, PES University, Electronic City Campus

PUBLICATIONS

Working papers under revision or review

- 2019 Snehanshu Saha, Nithin Nagaraj, Archana Mathur, Rahul Yedida. Evolution of Novel Activation Functions in Neural Network Training and implications in Habitability Classification
- 2019 Rahul Yedida and Snehanshu Saha. LipschitzLR: Using theoretically computed adaptive learning rates for fast convergence
- 2019 Luckyson Khaidem, Rahul Yedida, Abhijit J. Theophilus. Optimizing Internationality of Journals: A classical gradient approach revisited via Swarm Intelligence.
- 2018 Adel M. Aladwani, Snehanshu Saha, Rahul Yedida. A suggested approach for identifying prolific authors.

CONFERENCE ACTIVITY

Papers Presented

- 2017 Rahul Yedida et al. Employee Attrition Prediction. *3rd National Conference on Recent Innovations in Science and Engineering, 2017.*

CAMPUS TALKS

- 2018 An Introduction to Data Analysis, PES University, Electronic City Campus
- 2018 Machine Learning, PES University, Electronic City Campus
- 2018 How to design a Flappy Bird game, PES University, Electronic City Campus
- 2017 Complexity Classes and NP-Completeness, PES University, Electronic City Campus

TEACHING EXPERIENCE

- 2019 Teaching Assistant, C and Software Tools

SERVICE TO PROFESSION

- 2019 Technical Program Committee Member, International Conference on Modeling, Machine Learning, and Astronomy
